### PACT Symbol

When our beautiful PACT tree was created by the 2008-2009 SBHS Design Consortium, designer and SBHS alum Nora Rogers noted, "I thought the tree symbolized growth." The symbol remains relevant for PACT today. Thanks to our teen leaders and supporters, PACT continues to branch out, reaching more teenagers, children, and adults, inviting them to share their stories, their time, their ideas. The result has been deeper community roots for PACT. We couldn't be more grateful. Hope to see you on November 7 at our next dinner!
