PACT Gratitude

It's been a wonderful year for PACT. The reason is simple: it is because of all of you.

Based on feedback PACT received, we have worked to honor your excellent ideas and thoughts. As a result, we saw steps forward this year:

- Increased attendance at our PACT Retreat.
- Increased attendance at our events - especially increased numbers of teenagers and children.
- Increased numbers of teenagers who know about PACT and what we do.
- Increased PACT community service opportunities. Please make no mistake about it: none of this would be happening without the help and support of our teenagers, children and adults. We look forward to next steps and, as always, we welcome your voices.
