I think that each person I photograph is beautiful in their own way because of the individual characteristics that makes each different from the other. I like trying to capture who they really are.

The PACT Vision A Community Invitation

At the PACT Board Retreat on August 29, Board members developed the PACT Vision, which will guide the work of PACT in the years to come.

The PACT Vision was narrowed to three choices. Now, in the spirit of PACT's commitment to inclusion, PACT is asking the South Burlington community (all those who live, work, or go to school in South Burlington) to choose the one they like the most.

Which PACT Vision Statement is your favorite?
Please e-mail your choice to merrick@champlain.edu.

- Everyone connected to South Burlington will thrive in a community of respect, compassion, and equality.
- Our community will be inspired and motivated to interact with one another through respect, compassion, and equality.
- To build and sustain a community of respect, compassion, and equality.
